

22 January 1951

MEMORANDUM FOR: Chief, Regulations Control Staff

SUBJECT : Proposed Regulation No. [] "Separations."

1. General Cabell still is not satisfied with paragraph 2.c. of the attached proposed Regulation No. []

2. Specifically, he sees no reason why the Agency should place itself in a straightjacket by making an ironclad rule in connection with Regulations to the effect that (a) we will never request an individual to resign or advise him to resign, (b) if he chooses to resign, however, prior to the completion of another type of separation we will accept his resignation (General Cabell feels strongly that this should not always be the case), (c) we will not refuse the resignation of an employee, or (d) take any action to compel him to remain in the service beyond the date he desires to remain.

3. You are requested to discuss this with the Assistant Director for Personnel and the General Counsel at the earliest practicable date and to submit a revised proposed Regulation to this Office not later than 28 January 1951.
